Scope of application

With this data protection declaration, users receive information about the type, scope and purpose of the collection and use of their data by the responsible provider.

Data protection in general

No private data about you will be passed on. If you have made an inquiry via a contact form, this is done via SSL encryption.

Contact forms

When contacting the provider via the contact form or simply by e-mail, the user's details are stored for the purpose of processing the request and in the event that follow-up questions arise.

Cookies

This website uses so-called cookies. These are text files that are stored on your computer from the server. They contain information about the browser, the IP address, the operating system and the Internet connection. This data will not be passed on to third parties or linked to personal data without your consent. Cookies have two main functions. They help us to make it easier for you to navigate through our website and to display it correctly. They are not used to infiltrate viruses or start programs. Users have the possibility to access our website without cookies. To do this, the corresponding settings must be changed in the browser. Please inform yourself about the help function of your browser, how cookies are deactivated. However, we would like to point out that some functions of this website may be impaired and the user comfort may be restricted.

Google Analytics

Our servers automatically collect information about visitors to our website. This information is anonymous, but it enables us to learn more about the behaviour of visitors to our website and to improve our services. Google Analytics is used for this purpose. As follows the privacy policy of this service:

Privacy policy for the use of Google Analytics

This website uses Google Analytics, a web analysis service of Google Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of this website is usually transferred to a Google server in the USA and stored there. However, if IP anonymisation is activated on this website, your IP address will be shortened by Google within Member States of the European Union or in other countries party to the Agreement on the European Economic Area, only in exceptional cases will the full IP address be transmitted to a Google server in the USA and shortened there. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to

third parties if this is required by law or if third parties process this data on behalf of Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

YouTube

Our site includes functions of the YouTube service. YouTube contents are integrated (streaming) and serve to explain the products and make them more attractive. As follows the privacy policy of this service:

Privacy policy for the use of YouTube

These features are provided by Google Inc, 1600 Amphitheatre Parkway, Mountain View, CA 94043, United States. By using YouTube and the YouTube feature, the websites you visit are linked to your YouTube account and made known to other users. Data is also transferred to YouTube.

We would like to point out that we, as the provider of the pages, are not aware of the content of the transmitted data nor of its use by YouTube. For more information, please see YouTube's privacy policy at <http://www.google.de/intl/de/policies/privacy/>.
